

HIGHER EDUCATION INSIGHTS WITH CULTURE AND OUTDOOR ACTIVITIES

Come and experience our Higher Education themed package to learn about modern teaching ideology and learning environments in Satakunta University of Applied Sciences - SAMK.

As signatures of EduTravel, we will provide you with fascinating insight into Finnish educational system and higher educational training seminars including modern learning environments, faculties and degree programs as well as Finnish pedagogics, language, culture, welfare and lifestyle.

Furthermore, you will have a chance to visit our cultural and natural landmarks with original beauty and familiarize with Satakunta region's industries and livelihoods from maritime perspective.

Duration of our program is 6 days (5 nights), which includes 4 days of educational activities, and 1 day of leisure activities for groups of 10-50 participants.

All our services are offered in English so English proficiency is preferred.

On **day 1**, upon arrival, you will have lunch at the Campus, followed by welcoming ceremony and training on Finnish higher education at SAMK Campus Pori with introduction to the faculties and a tour around the Campus. Afterwards, you will be taken on a guided city tour by bus. Later, you will be checking in to a 3-4-star hotel in the centre of Pori, within walking distance from the Campus and you can have dinner in the centre (at extra cost).

Day 2 will be spent at the Campus, learning about the degree programs as well as modern learning and development environments in SAMK Campus Pori through seminars. Later, you will visit the healthcare simulation room and the robotics lab. Lunch at the Campus. Free evening after trainings.

On **day 3**, after breakfast there will be trainings at the Campus on Satakunta region and its livelihoods and industries. After lunch at Campus, you will be taken to maritime Pori. You will get to experience and learn about the industries there, like the windmill park and port of Pori, and you will also visit the old fishing village of Reposaaari. After returning to the centre of Pori, you will have a free evening.

On **day 4** you will be picked up after breakfast and be taken to SAMK Campus in Rauma. There you will get to know the programmes they offer, and to have a tour around the Campus; you will get to experience a boat steering simulator. Lunch at the Rauma Campus. After trainings, you will be taken to the UNESCO world heritage site Old Rauma and have a tour there. Dinner will be enjoyed together at a restaurant in Old Rauma. You will be taken back to your hotel in the evening. In addition, there can be a visit to another UNESCO world heritage site Sammallähdemäki.

Day 5 is the day of leisure activities. After breakfast you will visit Yyteri Beach, famous for its dunes and 5 km long fine sand beach. There you can experience a guided high rope course in the forest, or a fatbike safari. Lunch at the restaurant Dyyri. After lunch, you will have time to stroll on the beach, take pictures and optionally go to Yyteri Refresh Hotel for spa and sauna, or have a guided hike on the hiking trail Trail of the Sands with nice view to forest, dunes and open sea. Later, dinner will be served at the Refresh Hotel while enjoying a beautiful seaside view. You will be taken back to your hotel in the evening.

Day 6 is departure day; breakfast at the hotel and check out. Farewell Satakunta and welcome again!
