

Wonderful winter exploration day at Pitkäjärvi Lake

Guided daytrip to Kokemäki Recreation Centre
available on request November-March

We want to guide you through a deep dive into life of a Finnish person and let You experience, how we like to spend our winter days! We Finns go outside just to enjoy outdoors, as playing, moving or relaxing.

Prepare your instincts and come join us to experience guided forest trail with fatbikes. Enjoy locally made food by the campfire, lift your spirit with togetherness. At the end of the day relax your body and mind in real Finnish sauna and test your courage by optional winter swimming. Capture the beautiful environment and atmosphere to photo during the fun day, and share the best one at a photography contest.

This daytrip is available on request from November to March.

You can book it through e-mail: **edutravel@samk.fi**

The group size is 20 - 24 persons.

Experience and Education - EduTravels with joy!
