Day Trips

EduTravel welcomes You to experience the Finnish lifestyle and culture by joining our fun day trips in the beautiful Satakunta region, West coast of Finland!

FUN AT THE FARM (BUDGET)

Guided daytrip to Koivuniemen Herra Farm
On request

Have you ever wanted to try milking a goat? What about having the responsibility to walk a pony by yourself? Then this daytrip is for you! We invite you for the daytrip of your life to experience real, Finnish farm life. In Koivuniemen Herra Farm you can get to know Finnish farm culture, farm animals and have the opportunity to spend time with new friends. You

Wonderful winter exploration day at Pitkajarvi Lake

Guided daytrip on request November-March

We want to guide you through a deep dive into life of a Finnish person and let You experience, how we like to spend our winter days! We Finns go outside just to enjoy outdoors, as playing, moving or relaxing.

Prepare your instincts and come join us to experience guided forest trail with fatbikes. Enjoy locally made food by the campfire, lift your spirit with togetherness. At the end of the day relax your body and mind in real Finnish sauna and test your courage by optional winter swimming. Capture the beautiful environment and atmosphere to photo during the fun day, and share the best one at a photography contest.

Available in Pitkärjärvi Recreational centre in Kokemäki, West Coast Finland. Bookings through SAMK EduTravel: edutrael@samk.fi. The trip is available on request between November-March (as agreed with group of minimum 20 persons).

About the Day Trips

- EduTravel day trips are guided leisure tours to groups including educational aspect through inspiring activities and themed visits to variety of destinations
- They represent and introduce Finnish lifestyle, nature and culture for international customer groups living or visiting in Satakunta region

SAMK EduTravel welcomes you to spend a unique day with us while getting to know to Finnish culture, history, and nature! We are going to spend a fun day at Lauhanvuori-Hämeenkanigas UNESCO Global Geopark in Karvia, which's geology has transformed from mountainous area into a mire area. There you will learn about Finns' close relationship with nature and its diverse health benefits.

First we explore our mire nature at Lake Neva-Lyly, after which we hike to Alkkianvuori Hill, the highest point of Karvia. We are spending time by the lake at Syvilla cottage like a Finn by relaxing in hot sauna, swimming in cold lake water, and playing outdoor games, which is very traditional and important part of Finnish cottage culture.

Book your participation and come to experience authentic and real taste of Finland and our lifestyle together with others while making new friends and memories!

Experience and Education - EduTravels with joy!

SAMK EduTravel welcomes You to experience the Finnish lifestyle and culture by joining our fun day trips in the beautiful Satakunta region, West coast of Finland!

SAMK EduTravel welcomes You to experience the Finnish lifestyle and culture by joining our fun day trips in the beautiful Satakunta region, West coast of Finland!

The day trips will be filled with exciting activities for 20-30 participants (min-max specified in each trip), like visiting UNESCO World Heritage site, enjoying local Finnish delicacies and getting to know Finnish lifestyle. Take your friends and come join the fun!

All our services are provided in English, and a tour leader from us will be with you for the whole trip.

Rauma Old town has remained as the largest, unified and well-preserved medieval wooden city centre of the Nordic countries. It's still the heart of the city where people live, trade, work and hobby all year round in a historic setting.

Experience and Education - EduTravels with joy!
