

School Off, Forest On!!

Guided daytrip to Korsuretket Forest Village
on request May, June & September

Step into Korsuretket Forest Village and reconnect with nature with sustainable activities and forest sauna in the middle of the wilderness!

We offer you the genuine Finnish forest experience! Starting with a ski competition and continuing to saving a tree which you can 'adopt' by giving it a name. To recover your energy, you will enjoy an organic buffet lunch made up of local and seasonal ingredients in cosy lean-to. After this, you will learn how to make a wreath or foot bath of herbs from nature to be used in the next activity, bathing in exotic forest sauna. River Jylli offers extra refreshing if needed! At this point totally relaxed, you can enjoy sausages grilled on the campfire, lay in a hammock under trees while sharing this exotic experience with new friends!

This daytrip is available on request in May, June and September.

You can book it through e-mail: edutravel@samk.fi

The group size is 20-25 persons, to create togetherness.
